GLADHAVEN GARDENS

George G. Fowler, Prop.

North Main Street

Franklin, N. H.

HAPPY NEW YEAR to our Friends, old and new. We are here again, much to our surprise, to serve you with fine quality Gladiolus bulbs.

We want to thank you for the many kind letters and cards we have received from you during the past year. We have tried to acknowledge all of them. If we have overlooked any one of you we are sorry and thank you now.

If there are any of you whom we have "short changed" or who have bought bulbs from us that were not satisfactory, we would like to have you write to us about it and see how quickly and cheerfully we will try to correct the error. We admit that we do sometimes make mistakes.

This season we are offering a number of choice new varieties, some have been imported direct from Holland by us. Most of Holland's best new originations. Our stock is limited so we cannot make any wholesale prices this year.

Thanking you for your patronage in the past and hoping for a share of it this season,

With Kindest Regards and Best Wishes,
Mr. and Mrs. George G. Fowler.

ABOUT C. O. D. SHIPMENTS

It is not practical to have bulbs mailed C. O. D. for less amounts than \$5.00 as it adds about 5% to the cost of your bulbs. WE DO NOT MAIL Iris Plants C. O. D. WE DO NOT ship C. O. D. unless 25% of the order is sent in cash.

IMPORTANT

Place your name and address on the outside of every letter you write. Print your name and address very plainly on your order, and PLEASE use the order blank we send you and keep a copy of your order.

We do not substitute one variety for another unless requested. If I am out of the size ordered I will fill the order with bulbs of the next nearest size giving as much or greater value. Order Early to avoid substitution. You can expect extras depending on the size of order. Please do not use Price List for Order Sheet.

SIZE OF BULBS

LARGE bulbs are 1¼ inches in diameter and up; MEDIUM size bulbs are ¾ to 1¼ inches in diameter averaging about 1 inch. Small bulbs are bulbs under ¾ of an inch in diameter and not less than ¼ inch. Many of the small bulbs will bloom this summer.

FULL CULTURAL INSTRUCTIONS WITH EVERY ORDER

GLADHAVEN ASSORTMENT

For those who do not care about names but just want a number of good blooming bulbs and many colors, we recommend this choice mixture. It includes about all known shades and colors in the glad family. To give them a fair trial and get the largest number of colors you should plant at least 100 bulbs. Fifty bulbs planted two weeks apart will give a long season of bloom. Most of the small bulbs will bloom this year. Note these LOW prices:

Large Size
10 for \$.60
50 for 2.50
100 for 4.00

Medium Size
10 for \$.35
50 for 1.50
100 for 2.25

Small Size

Iris Roots

Ten good strong Iris roots all different, all good varieties, none of the old sickly white Florentine or yellow Honoribilis. Postpaid to 3rd postal zone for only \$1. If you order before April 1st, 1948, will include one extra choice variety worth 25c Free. Please do not ask us to ship Iris roots before June 1st as June is the best time to set them over. Iris Roots will only be shipped within the Jap Beetle Zone.

Gladiolus Bulblets

A grand mixture of most of the best varieties I grow. These bulblets have been screened over a 3/16 inch wire screen removing most of the very small ones, leaving good size clean bulblets. Cannot guarantee the germination of gladiolus bulblets, you take your chances as I do when I plant them to increase my stock of bulbs.

Should be planted very early in the spring and not allowed to become dry before starting growth. Some will make a very small bloom the first year, most of them should produce bulbs that will bloom second year. My very low price is 100 for 20c, 300 for 50c postpaid. Bulblets are not bulbs until grown one season.

HOW TO REMIT

At many Post Offices you can get Postal Notes in amounts up to \$10.00 for 5 cents. Bank checks are cheaper at 10c each for sums over \$10.00. Money orders for any amount are perfectly satisfactory. Make all checks and Money Orders, etc., payable to George G. Fowler.

Loose cash is not safe. Have had it come in unsealed envelopes. If you have to send stamps, 1, 2 and 3-cent ones are best for my use.

SPECIAL NOTICE

Unpack your bulbs at once as received and store in a cool dry place until ready to plant. DO NOT LET YOUR BULBS FREEZE AT ANY TIME.

BY READING this list carefully you can save a lot of unnecessary correspondence.
